

Keep the Unit - Swap out the door only!

Got a fully functional carwash site, but the tech is a little tired and you'd like to be in the 21st century with your activation systems?

PSS have a swapout package for your existing ANZTECH activation system door, featuring a 15'6" Touchscreen for Cash

Original ANZTEC QuickWash unit with push-button operation

activation and a HUGE 19" Touchscreen for Cashless option only, that affords full operation of all wash systems through the touchscreen (no buttons).

This will give you the latest activation functionality, integrating all your wash systems together under the PSS OPT Activation portal with the TAP & PA\$\$ mobile App across your carwash for unparalleled total site management and reporting, targeted deal redemption and upselling.

PSS Door Facelift, with HUGE 19" LED touchscreen, for Cashless activation option only.

PSS Door Facelift, with 15.6" LED touchscreen, retaining Cash payment hardware
