New Istobal Vac with QR scanner, 7" Touchscreen, and Cashless Nayax - Facelift

Got a fully functional carwash site, but the tech is a little tired and you'd like to be in the 21st century with your activation systems?

No need to rip out your wash units and replace at a massive cost - PSS can facelift your existing units and give you the latest activation functionality, integrating all your wash systems together with the TAP & PA\$\$ App across your carwash site for unparalleled total site management and reporting, deal creation and upselling.

Istobal Self Serve units with coins, Nayax and keypad /push button select. These units have very small LED screens.

Facelift Istobal Self Serve unit with Nayax cashless, code scanner, speaker and 10.1" LED Touchscreen
