This technology is limitless and can maximise your carwash business's capacity to grow your top line sales and increase your bottom-line profits.

Pimp your Paystation

Upgrade the look and feel of your old bay box instantly with the PSS Bay Box Touch Retro Fit Kit. An integrated security camera is optional.

Transform your customers' experience while you increase turnover and enjoy rewarding insights into your business.

Keep your current Bay Box

PSS now supply retro fit self-serve Bay Box doors for an easy baybox door swap out.

The PSS Bay Box Touch is integrated with the TAP and PA\$\$ app, Nayax POS, Coins, Online payments and PA\$BUCKS, the TAP and PA\$\$ loyalty currency.

The PSS Bay Box Touch has a 10.1" touchscreen that gives smooth functionality integrating your entire business via the PSS portal for you, and a mobile app for your customers.

The PSS Portal gives the retailer full reporting and deal management with total visibility into your entire carwash operation.

As a business owner, create easy mix and match in-app deals across your whole site for customers to redeem via TAP & PA\$.

Notify your customers of real-time deals. Redemption is fully customizable which optimizes your carwash capacity, channelling lower cost deals to off peak times where everyone wins.
